Dear Mr. Kunzler:

The Resource Development Coordinating Committee (RDCC), representing the State of Utah, has reviewed this proposal. The Division of State History comments:

No historic properties have been recorded within the project area because no historic properties' surveys have been conducted.

A survey of the area may identify historic properties, some of which may be eligible for the National Register of Historic Places. It is your responsibility to determine further actions, such as field surveys, to identify historic properties.

If you have questions, please contact Jim Dykmann at (801) 533-3555. (Please refer to Case No. 98-1560)

The Committee appreciates the opportunity to review this proposal. Please direct any other written questions regarding this correspondence to the Utah State Clearinghouse at the above address or call Carolyn Wright at (801) 538-1535 or John Harja at (801) 538-1559.

Sincerely,

for Brad T. Barber
State Planning Coordinator
